

If you've ever seen a sporting event in New England, you know that worship is in our DNA. It's part of our wiring. But we were made to worship God. Real worship is a response to God for who He is, for what He has done and for what He continues to do. At Revive, we strive to create an environment where people can encounter God and respond to Him. Our worship services feature culturally-relevant music and incorporate arts of all kinds - all in a casual atmosphere with a spirit of authenticity. You will leave energized and refreshed (revived) by our practical messages and uplifting music.
